May 15, 2018, 9:00 a.m. to 12:00 p.m.**

AGENDA

- 9:00 a.m. – 9:10 a.m. Welcome and introductions**
- 9:10 a.m. – 9:30 a.m. Review static pretrial risk assessments**
- 9:30 a.m. – 10:00 a.m. Review how much time it takes to complete a static risk assessment instrument for all those who come before a magistrate state-wide**
- 10:00 a.m. –11:00 a.m. Discuss the logistics of integrating the instrument into the magistrate computer system, and other options for providing a static risk assessment at the magistrate level**
1. If a static pre-trial risk assessment is implemented at the magistrate level, will it inform all subsequent bail hearings?
 2. If so, will it include a decision making framework? (Praxis)
- 11:00 a.m. –12:00 p.m. Determine next steps**
- 12:00 p.m. Adjourn**
